Immediate Press Release

## **Hundreds of Jobs Coming to Wasatch Front Area**

January 4, 2012 Salt Lake City, Utah -

Teleperformance is pleased to announce they have secured substantial new business with an existing client, a primary internet provider, and bringing the 300 new jobs to the Wasatch Front area. Teleperformance, the worldwide leading provider of outsourced contact center services managing customer care and technical support programs, has begun accepting applications to fill over 300 immediate technical support, sales and customer service positions. Hiring for our Salt Lake City and Lindon campuses has already started and classes are set to begin in January, continuing through the end of the February. All interested applicants are encouraged to apply at [www.teleperformance.com](http://www.teleperformance.com).
